Together let us fill these buckets at shima campus and we can do it.
Challenges;

- Operational budget
- School Pit Latrine
- Construction of classroom block

Solutions;

- The door is open for whoever is interested to partner with us either through bringing new programs or adding on already existing programs. The keys are in your hands to open for the future of vulnerable children.

- To improve the hygiene at Shima Campus we are looking for 1000 people each to donate $1 this will be complete and it’s very possible because now we are left with 999.

- Your among the 25000 people we are looking for to donate $1 towards the construction of 10 classrooms block and now we are left with 24999

We are certified to operate let us handle the unmarked ones before 2020 comes we can do it

Conclusively, as you’re planning to complete 2019 in a prosperous way, whether you did or missed to contribute on securing the three above marked pieces of land for the school, to those who missed please do not miss to receive more blessings towards the construction of $25000 classroom structures for Shima Campus and the home of Graben Orphanage Foundation Africa – GOFA.
